Relaxation – just take it easy

Escape the hectic daily stress with our numerous Relaxation offers.

You can totally turn off in our quietness areas and enjoy the peace. The crystal room offers more relaxation, where you could almost completely isolate yourself from the outside world, in deep sleep collect new energy. This dark room will make order in your head and free your thoughts. Our loungers as well as the relaxation music provide a cozy atmosphere.

Discover your favorite spoil program from a wide range of offers. We offer you several cosmetic applications and massages. Particularly popular is the Hot-Stone-Massage, which relaxes the muscles through the heat of the stones. Our cosmetic program includes, of course, manicure, pedicure as well as facial application of all kind.

You can, of course, use our solarium to give your skin a fresh summer tan.

Also, two whirlpools are at your disposition. Let pleasantly the water jets act on your skin. It feels like a massage, only in water.
