## Aqua Fit - Wellness-Resort

Experience wellness on an extraordinary type and way. The Wellness and Sauna Resort in Othmarschen offers you relaxation and tranquility. Escape the everyday hectic pace and grant yourself some hours in our wellness Resort. Here rules a personal and relaxed atmosphere, which is an uppermost priority to our guests.

You need to have tried it, to believe it: the door will open and here are you far away from the stress and hectic pace, in a vacation world of full relaxation and sense of well-being. In an ambience that amazes and appeals.

Warmness, water, sun, the unique effectiveness of five different Sauna-concepts, the healthy stress of hot and cold body contraction in connection with the many possibilities to feel deep quietness represents an unique overall experience

Architecture, building materials, water whisper, marble beach floor, decoration with genuine art objects, and each detail conveys highest significance.

Just this appreciation will be conveyed to our guest. The wellness-DAY-SPA offers application of Hot-Stone-Massage as well as all different services. From wellness- down to medical-Massage, physiotherapeutic treatments and acupressure. The program includes of course manicure, pedicure as well as facial treatments. Last but not least a wide selection of food and beverage are available.

Stop by and see yourself.
